“THE ANSSEMS PLT IS COMFORTABLY LIGHT AND EXTREMELY STRONG”

PLT flatbed trailers

The Anssems PLT has a distinctive character due to its ergonomic design; it is extremely light yet strong, offering maximum load capacity. The position wheels beneath the floor of the Anssems PLT provide a large load area which is easily accessible when the drop side- and rear panels are lowered.

PLT single- axle unbraked

PLT tandem unbraked

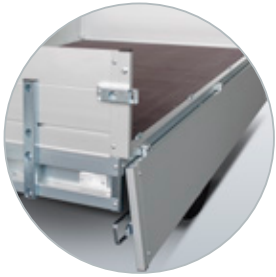

PLT single- axle braked

PLT tandem braked

There is always an ideal model

There is a wide selection of PLT models: braked or unbraked, single or tandem axle, with different weight capacities and a wide range of dimensions. There is always a PLT flatbed trailer to exactly meet your requirements. All PLT models come as standard with multiple tie-down points to help keep your load secure.

Optimally accessible loading floor

Standard equipped with jockey wheel

Equipped with span lockers

8 tie hooks on loading floor

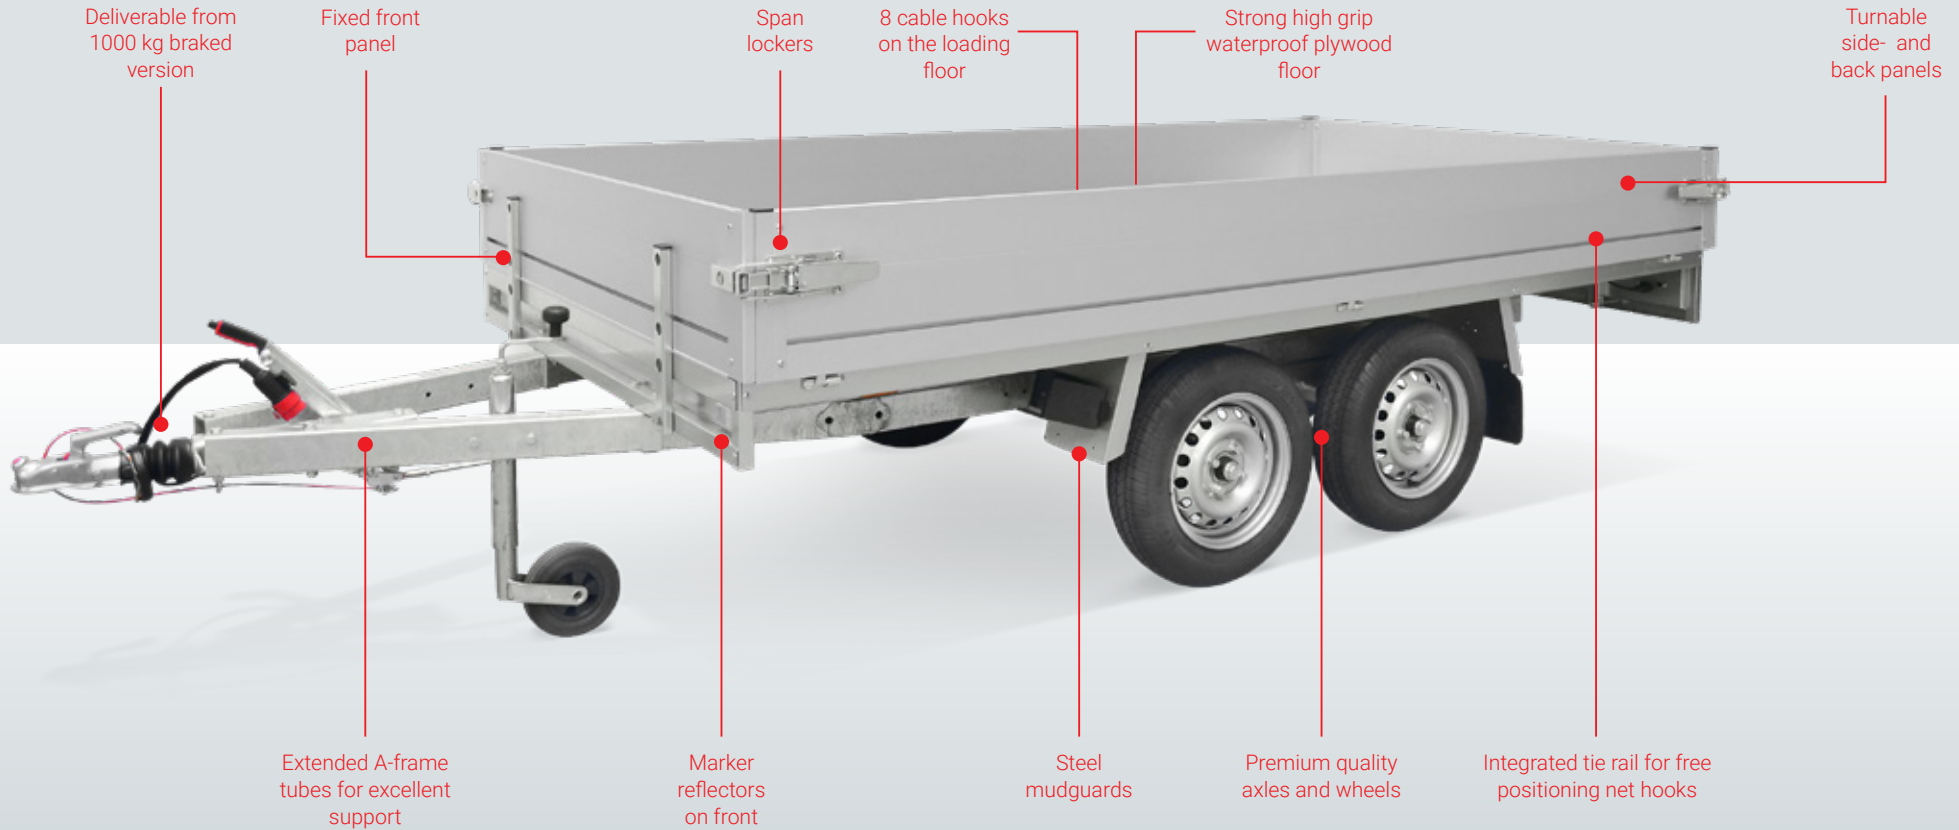

Tie-rail for removable and adjustable net hooks

Reliable and clear lighting

Always clearly visible

Extend your PLT

The PLT accessories allow you to personalise your trailer to even better suit your needs, whether you use it professionally or for private use. View the options that Anssems can offer you.

“THE ANSSEMS PLT IS COMPLETELY TAILORED TO MY DEMANDS”

A flat cover offers extra protection during transportation. This cover is easy to attach using the included net hooks.

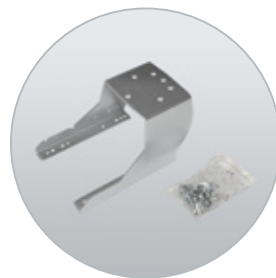

The ladder rack at the front is very popular with Anssems PLT owners, providing them with additional options for securing cargo and supporting high-volume loads.

Accessorie:
aluminium ramps

Accessorie:
Spare wheel

Accessorie:
Spare wheel support

Accessorie:
Net hooks

Accessorie:
