Anssems PSX Go-Getter

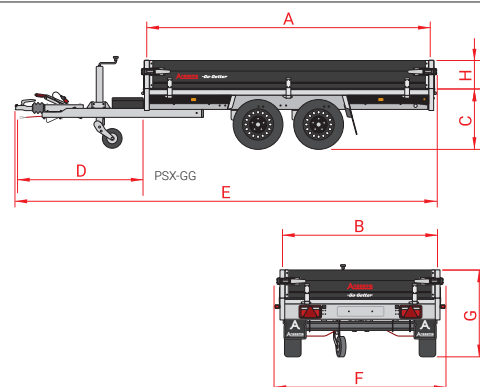

Powerfull tool for heavy loads

Anssems developed the PSX series especially with the needs of the professional user in mind. The PSX flatbed trailers have a distinctive character through the use of very generous standard equipment. The side- and rear panels fold beneath the loading floor, for ease of loading and unloading with a forklift.

- Black sideskirts with integrated markerlights and position lights
- Black rims
- Fully equipped with LED lighting
- Toolbox black (capacity 45L)
- Robust robot welded chassis
- Maximum floor support
- High grip aluminium floor
- Back-panel can rest on pullout beams
- Integrated railing for movable net hooks
- 8 tie-down rings on steel loading platform
