## Anssems PTS; welfare trailers

The Anssems PTS trailer is an indispensable location on a construction site for briefings, storage, or lunch. It is made of durable materials, and is maintenance-friendly. The accommodation space can accommodate up to six people, who can enter through a fixed step at the back. This space is equipped with LED lighting, wall sockets, electric heating, and two windows with wooden shutters.

**THE ANSSEMS PTS  
IS OUR LOCATION  
FOR BRIEFINGS**

Welfare trailer with  
storage room

Welfare trailer with  
storage - and toilet room

## Storage and toilet

In addition to the accommodation area, the Anssems PTS also has a storage room or compact storage space adjacent to a toilet facility. These spaces are accessible via their own entrance and are equipped with LED lighting.

Securing shutters

Steel footboard with high grip profile

Probstands on 4 corners

Light switch and wall socket

Window with tiltable skylight

Impact-resistant marking on all corners

Electric heating (1500 Wh) in accommodation space

Wooden window shutters with latch

Seamless polyester insulated sandwich panels

Marker light

Steel probstand

Premium quality axle and wheels

Impact-resistant marking strip

Lockable wooden door

Accommodation for 6 people

High grip waterproof plywood floor

Fixed footboard with anti-slip

LED lighting

## Extremely strong

The Anssems PTS welfare trailers are equipped with a durable polyester roof and walls of insulated sandwich panels with a seamless polyester top finish in the colour RAL 9003, as well as a waterproof plywood floor with an anti-slip profile. The robust PTS chassis is fully galvanised and fitted with premium-quality axles and an overrun brake.

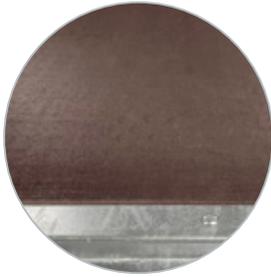

**EVERYTHING I NEED  
FITS IN THE  
STORAGE ROOM**

Restroom with toilet  
and washbasin

Automatic jockey wheel

High grip waterproof plywood floor

Door hook

Ventilation grille

Wooden door frame and plywood entrance door

Storage is lockable with the same key as the entrance door

Main Industrial power connection 230 Volt

Polyester roof with overhang

Ventilation

Put your company name on the wall

Probstand crank handle included

Storage door

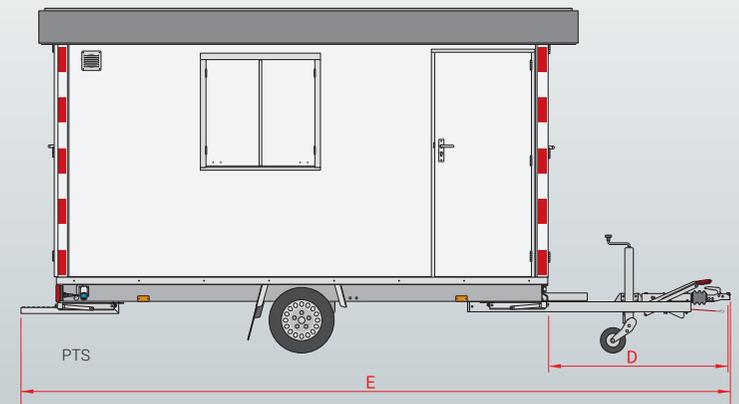

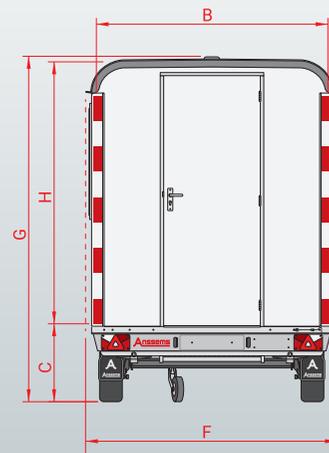

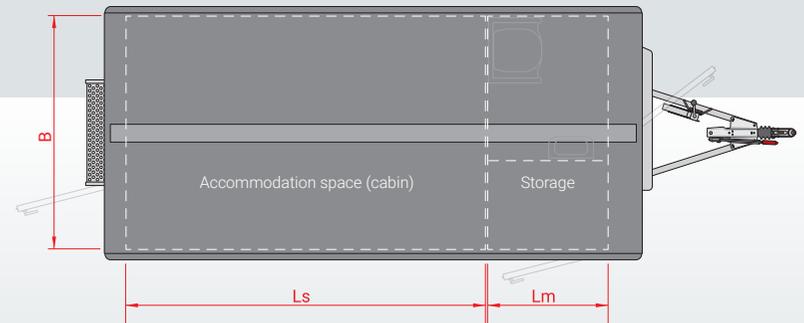

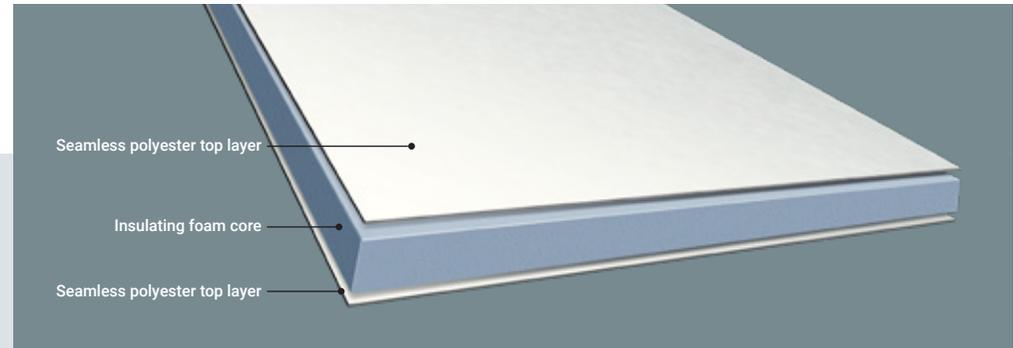

Free drawbar length 145 cm

Premium quality overrun brake and handbrake

## Sandwich panels

The Anssems PTS walls are constructed from three-layer polyester sandwich panels. These panels are of high quality, providing good insulation value, high stiffness, compressive strength and being lightweight and maintenance-friendly.
